

Salvador Mena

Responsable Colaboración Unive

Univ. de Barcelona - FBG

Bilateral Meetings

- Wednesday 15:00-19:15

Organization Type

Beauty Cluster Barcelona

Areas of Activities

Active ingredients and raw materials

Packaging and/or materials

Tech Transfer, universities, tech centers

Marketing, design and/or media

Consultancy and/or education

Offering an Innovation

NEW ACTIVE INGREDIENTS for Cosmetics

Natural Origin or Synthetic

Discovery of cosmetic assets from plants

Design of peptides with different biological properties and cosmetic applications

Vegetable cell cultures : Optimization of vegetable crops to obtain active principles of application in cosmetics.

Other Ingredients:

Preservatives - Antioxidants - Emulsifiers - Protectors - Moisturizers - Probiotics

Keywords: Preservatives Antioxidants ingredients Emulsifiers Protectors Moisturizers Probiotics

Offering an Innovation

EFFECTIVENESS AND TOXICITY STUDIES IN CONDITIONS OF USE

TOXICOLOGICAL RISK ASSESSMENT

Expert Evaluation of Toxicological Risk

Clinical studies

EFFECTIVENESS AND TOXICITY STUDIES IN CONDITIONS OF USE

Registration Documentation of new products for human use

REGISTRATION DOSAGE DOCUMENTATION

Keywords: Toxicological Risk

Offering an Innovation

INDUSTRIAL TECHNICAL ADVICE

Analytical methodology of new active principles.

Alternative techniques to animal experimentation.

Development and Optimization of productive processes.

Equipment Pilot plant

Keywords: Manufacturing Advice Optimization Pilot

Offering an Innovation

GALENIC DEVELOPMENT AND FORMULATIONS

Specific formulations (foams, bars, sticks, ...)

Modified Release Formulas. Nanocapsules, nanoemulsions, particle coating.

Stability studies, ingredient compatibility, bioavailability

LIQUID formulations

AEROSOL SPRAYS

SEMISOLID FORMULATIONS

SOLID formulations

Tablets Coated tablets
Granules
Freeze dried
STERILE FORMULATIONS
Freeze dried
Injectable
Sterile Powders
NEW COSMETIC FORMS
QA
QUALITY GUARANTEE UNIT

Keywords: galenic formulation
Offering an Innovation

EVALUATION OF EFFICACY AND TOXICITY

Transdermal Permeability Studies

In-vitro models of efficacy and safety

Irritant Power - Allergenic Capacity - Sun Protection - Eye Irritation Proliferation cell.

Keywords: in vitro validation
Offering an Innovation

PACKAGING DESIGN AND CORPORATE BRAND.

Through investigators of Design we may work in your project of new packaging or corporate brand.

Foster your brand with a new image.

Keywords: brand image packaging sostenibility environment
Offering an Innovation

MARKET STUDIES

ANALYSIS OF ECONOMIC VIABILITY.
MARKETING AND COMMERCIALIZATION PLANS.
SALE THROUGH NEW TECHNOLOGIES AND SOCIAL NETWORKS.
ADVICE IN INTERNATIONAL COMMERCE.
Economic viability
Product Acceptance
Sales Online Advice.

Keywords: Market online commercial economy
