

Alesio Sanchez

CEO

ADPCosmetics

Bilateral Meetings

- Wednesday 15:00-19:15

Organization Type

Beauty Cluster Barcelona

Areas of Activities

Active ingredients and raw materials

Offering an Innovation

Non-nano mineral UV filters

We offer the enhanceU brand which are non-nano mineral UV filters with broad spectrum protection and high efficiency, up to SPF50+ and UVA-PF with only 15%wt, better dispersability and sensory and safer due to the particle size. We also have multifunctional products with colour and UV protection in the same ingredient.
